# FOOT BALL in the South

Goddard Swept Brigham Ac- eases and to create strength. Murphy Says Hearst League ademy Team Off Their Feet

Heath and McDonald Were the Star Players on Local Eleven-Brigham Got Ball on Goddard's 10-yard Line at the Close.

Goddard won another whirlwind victory by defeating Brigham academy of Bakersfield 40 to 0, yesterday afternoon. ive straight shutouts is Goddard's enriable record thus far this season. Her first game, played with but little previous practice, against Montpelier high chool, resulted in neither side scoring: invincible team for anything she has played. Brigham was outclassed from The visitors had fully as heavy a team as the locals, but they were too slow for the swift Goddards out police interference, backs, who swept around them at will. The university, which McDonald played a star game for Goddard, making live of the seven touch downs and one of them being after an Berry tore through the line and downed the ball for a loss of five yards or more better. It is in keeping with this iden. In the opening of the second half Flantial Hypner is recommended by leading ders made a sensational topoldown afphysicions throughout this and other for Goddard had punted to Brigham. The Brigham full back, in attempting to When this treatment is used in calcatch the punt, stumbled and fell. Flantarmal troubles, there is no stomach ders was close up to him and catching dosing, for the medicine is taken in the ball ran 40 yards for a touch-

Brigham started the game by kicking germs are present, healing the inflamed off to Goddard and in five minutes Me and irritated mucous membrane, killing Donald had made his first touchdown, the disease germs and entering the blood after Goddard had rushed straight down with the oxygen, driving all catarrhal the field with end plays from their own germs from the system.

Do not try to cure catarrh of the Goddard then kicked off to the visitors stomach—this is neither a scientific non line. Brighem fumbled on the first rush common-sense treatment. Breathe the and Goddard secured the ball, Alexander bealing balsams of Hyomei and in a falling on it. On the first rush, Heath few days you will notice relief, and its went 35 yards to the 10-yard line, and his second touchdown. Heath sent the The Red Cross pharmacy has seen pigskin between the posts again. Brig-so many cures made by Hy- ham kicked off to S. Berry, who was omet amongst its customers, sev-downed on the 30 yard line. Goddard eral of them cases where all then started in on another continuous

them for downs on the 25-yard line. The complete Hyomei mutiit costs but In two minutes more McDonald was it, while extra bettles of Hyomei, it sent over the goal line for his fourth sent over the goal line for his fourth touchdown and Heath made the goal. The score now stood 24 to 0. Brigham kicked to Heath, who was downed on the 40-yard line. On the first rush, McDonld went around the whole visiting ning 85 vards. Heath made his first failure to kick the goal. Goddard kicked off and Brigham after two unsuccessful attempts to gain, punted. The ball rolled by Heath and went to the 10-yard line, but the trappy quarterback got it and ran to the 35-yard line, when time was called for the first half.

In the second half Goddard had to let up her pace a little, as Quarterback Heath was nearly exhausted from an injury received in the first half of the game, and before the half was finished he had to be taken out and McDonald put to his place S. Berry went to right half and Tilder to right tackle. Goddard kicked off to the visitors, who were forced to punt, and the hall was downed on Goddard's 35-yard line. Me-Donald gained 5 yards and Johnson was tackled for a loss. Goddard then punted The Brigham quarterback fell over back-wards instead of catching the ball, and Flanders, who had broken through the ine, caught up the ball and had clean sailing for 40 yards to the goal line. S. Berry kieked the goal. At this point Heath was taken out and with the changes that Goddard had to make the team was weakened, atthough they were able to score once more after receiving the ball on a punt. Alexander made a 25-yard gain, followed by 15 yards by McDonald, bringing the ball to the 10-yard line. Alexander then made the last touchdown in the next rush. S. Berry failed to kick the goal. The last few minutes of the game then were played in almost total darkness. Both sides fumbled badly, and when time was

called Brigham had the ball on Goddard

#### CONSIDERATION

Third Ticket Row in New York Bring Out Direct Charge From Tammany Hall Leader-Wants Public

New York, Oct. 19,-Charles F. Murphy, leader of Tammany hall, in an interview yesterday, charged that "the managers of the Independence league at Moscow, Oct. 19.-The negotiations the Gilsey house are holding up canbefore Prince Trubetskoy, rector of the didates for cash." The Independence

"Do you mean that the individual are to be withdrawn and the students candidates of the Independence league are holding up Tammany hall candi dates for money, or is it being done by The university; which was cossil on the managers of the Independence league Oct. 5 on account of the action of the at the Gilsey house?" Mr. Murphy was asked.

"I mean the managers. They have a lot of these just now, but I don't know who they are. I mean the man agers," reiterated Mr. Murphy, and add ing, "I think this is a matter which the

public is concerned about and of which they should be informed."

Mr. Murphy said that the nomina-tions made by Tammany hall in this city would be insisted upon regardless of any action taken by the independence There is a disposition on the part

of the Hearst managers not to with-draw the name of Judge Rosalsky. What do you think of it!" was asked Mr. Murphy.

"I think that someone got some of his money," the Tammany leader replied. Judge Rosaisky was nominated for the supreme court by the Republicans, and his candidacy was sandersed by

the Independence league. Mr. Murphy said that he desired to say that Mr. Hearst had absolutely no knowledge of what was going on in

# MONEY PUBLIC ANNOUNCEM

# Last Chance to Secure Cent Preterred Stock.

Owing to the rapid development of our business and the recent acquirement of additional property, and wishing to provide so that all persons who desire may have an equal opportunity to share alike in the large profits of this company, we hereby give notice that the United States Quarries and Granite Construction Company will not obligate itself to sell or deliver any of its seven per cent participating preferred stock after November 5th, 1906. Only orders received previous to that date may be honored. Anyone desiring some of this preferred stock and who will not be in a position to pay for same before the above date can make application for the amount of stock desired and make arrangements to pay for same in the future to suit their convenience, and if the limited amount offered is not all taken when application is made, their order may be filled. After the date mentioned herein, by order of the board, the preferred stock, if offered at all, may be advanced in price for the reasons above stated.

Twelve Reasons Why the Preferred Stock of the United States Quarries and Granite Construction Company is an absolutely Safe and Good Paying Investment, Read them Again Carefully.

First. Because the management of the business has had over Twenty Years' successful experience in the Granite Business.

Second. Because the members of our BOARD are recognized as the most substantial, conservative and successful men of Barre.

Third. Because it is something that IS not something that is going to be.

Fourth. Because the great value of the EXTENSIVE QUARRIES containing an unlimited amount of as good Granite as ever produced in Barre, together with the large profits of the manufacturing plant justifies the statement that the LIMITED AMOUNT of PRE-FERRED STOCK will DOUBLE IN VALUE in a very short time.

Fifth. Because our Company was organized along the lines of safety and permanency, and every safe guard known to the Commercial and Financial world was adopted to protect the investment of the Stockholders.

Sixth. Because every Certificate of Stock is certified to and signed by the INTER-NATIONAL TRUST COMPANY of Boston, Mass. (assets over \$16,000,000) as Registrar, thereby protecting the investment of each and every stockholder.

Seventh. Because we are moving along definite, well defined lines, not by random or groping about in the darkness or depending upon the uncertainty of Fate and Fortune to build up a large paying business.

Eighth. Because our business is one that was not created in a day, or in a few months, but is the result of many years' hard work and careful preparation.

Ninth. Because we now control about TWO THIRDS of the best quarry property today, when the details governing Mr. in Barre, and are gradually acquiring more. And it is the unanimous opinion of EXPERT QUARRY FOREMEN who have managed Quarries in Barre for over Twenty Years and are therefore absolutely familiar with the Granite Properties of Barre, that the Granite in the EXTEN-SIVE properties controlled by this Company is inexhaustible and is of UNTOLD VALUE.

These FACTS can be VERIFIED by anyone who will VISIT the Granite Quarries and SEE for THEMSELVES. We will be pleased to show any parties over the Granite preperties. Tenth. Because our FIXED BUSINESS POLICY IS NEVER to incur indebtedness

and thereby AT ONCE AND FOREVER protect the investment of our Stockholders against loss and our company against financial difficulties in the future.

Eleventh. Because we do our busines on a STRICTLY CASH BASIS and thereby alone save on all purchases an amount sufficient to pay a large dividend on the LIMITED AMOUNT of Stock sold. Any Banker or Business man will verify this statement. By this method of doing business it is easily seen that the COMBINED SAVINGS AND EARN. INGS of the business will in a short time double the par value of the SEVEN PER CENT PREFERRED STOCK.

Twelfth. Because the Granite Business is yet in its infancy especially in BUILDING WORK in which there is the greatest amount of money to be made and our Company makes a SPECIALTY of BUILDING WORK.

Thirteenth. Because the reputation of BARRE GRANITE is already established throughout the world. It is not an article or business that has to be advertised or handled for years to make it known. The market and demand for it is already secured. BARRE GRANITE is as staple an article and as well known as the STANDARD OIL and your money invested in a WITH ARNICA AND WITCH HAZEL. Barre Granite Industry conducted along the lines above mentioned, managed and supervised by experienced and well known men is as safe, solid and secure as the
